**An autonomous Institute**

**Report of Workshop on Basics of Photography 2014**

Photography and Trekking club of JIS College of Engineering, Kalyani organised one workshop on Basic photography on 30<sup>th</sup> November 2014 in B.C.Roy Auditorium. About 80 interested students registered for this workshop. Mr. Partha Sarathi Cahakraborty, a reputed professional photographer delivered a beautiful lecture on learning of photography. Nowadays most of us try to make better photograph for social networks. From this point of view this workshop was needful to all participants. This workshop provides a basic knowledge about History of photographs, mechanism of camera, idea about DSLRs and above all how to take a better photograph. After completion of this workshop Mrs. Sila Singh Ghosh felicitate the Expert by giving one memento.
