“mActiVity”

Organised by Mathematics Club, JIS College of Engineering

Objective: Motivate students on Mathematics and its applications from every sphere of learning community.

Outcome: Participation from college students from JISCE, IIIT-Kalyani and specially from school students came to JISTECH- 2015.

Small token of appreciation was there for all the participants.

Beside the above mentioned, some regular activities are going on regular basis.

Students are motivated to participate some contests for greater exposure.
