

Admission Cell

Education at JIS College of Engineering is structured around four schools of study. A student should register in one of the schools, depending on the degree/programme he/she is interested in pursuing. Research centers are also part of the schools, encouraging inter-departmental collaboration and opportunity for students to participate in exciting research projects. The College offers 9 Undergraduate, 10 Postgraduate programmes.

Admission Cell acts as an interface between the students and the Institute, by helping the students to understand the Engineering, Management and other Professional career options and enhance them to make the right choice. The prime focus is to understand the skill set of the students and provide appropriate guidance.

Criterion:

B.Tech (UG) seats are filled by the West Bengal Joint Entrance Examination and through JEE (Main) Examination followed by counseling, depending on the rank obtained by the student.

BBA(H) and BCA (UG) seats are filled as per guidelines of West Bengal University of Technology on the basis of 12th Standard or equivalent examination result.

M.Tech (PG) seats are filled by the (GATE / PGET) Examination & Counseling conducted by West Bengal University of Technology.

MCA (PG) seats are filled by West Bengal Joint Entrance Examination (JECA) followed by counseling, depending on the rank obtained by the students.

MBA (PG) seats are filled by MAT Exam conducted by AIMA and JEE-MAT Exam conducted by West Bengal University of Technology followed by counseling, depending on the rank obtained by the students.

International Admission:

Over the years JISCE has established good linkages with many developing countries for admission of students to various programmes. JISCE has so far 7 undergraduate / 1 Postgraduate Programmes.

The students are admitted from many countries like
