The plantation programme at our college campus

Around fifty student members of the NSS club along with the faculty members assembled at the college premises on 08.08.2013 to carry out the above NSS activity. Trees were planted by the students across the open area of the college premises, near the college field. The above trees were also watered by the students. The students took care & interest to complete the above activity under the supervision of the NSS faculty members.

The teachers, present also spoke about the importance of tree plantation at this time of growing Polluted environment.

Cleaning Program at the college premises

This activity was undertaken by the NSS student members & faculty members on 12.09.2013 at our college premises. Under the activity, the student took initiatives to clean the classroom at the 3rd floor of the main college building. They cleaned the chairs, tables of the classrooms. The teachers stressed the need of clean classroom where the students spend most of the times .

Awareness campaign against the severe heat of on-going summer

The NSS students visited the nearby “Pacher Polly” locality of Kalyani, adjacent to our college on 24.04 2014 and conducted the awareness campaign against the unbearable heat of on going summer. They addressed the local residents about the need to protect and adopt different precautionary methods to fight the heat of summer. Awareness campaign also included banners, hoarding, etc and the faculties involved with NSS club were also present. Thus the campaign was able to generate interest and a sense of responsibility towards the society, among the students.

Slum Area Development Programme

Activity:

1. Awareness campaign regarding cleaning activity undertaken by the NSS students at pancher palli locality near Our college.
2. Supply of cleaning materials like phenyl, Bleaching powder etc. to the habitants pancher Palli village near our college.

The NSS club of JIS College of Engineering , Kalyani, organized an event , “ slum area development on 26th August , 2014 , at a locality called “ Pancher Palli” near our college campus at kalyani . Around thirty (30) numbers of student members of NSS club along with some faculty members participated in the event. The students organized an awareness programme with respect to cleaning activity. Few packets of bleaching powder and phenyl were also supplied to the households of the locality. The programme raised interest and awareness regarding the importance of cleaning among the villagers. Students also develop a sense of responsibility and commitment towards their society by participating such type of programmes.
