

2010-11

**JIS College of Engineering
Block A, Phase III
Kalyani, Nadia
West Bengal**

INTERNAL QUALITY ASSURANCE REPORT

Submitted to NAAC for the year 2010-11

Executive Summary

In line with the guide line of NAAC and the JISCE policy of **QUALITY-CONSISTENCY-DEVELOPMENT**, the college undertook a number of initiatives. IQAC of JISCE formally established during 2011 to stream line and consolidates the quality assurance of JISCE.

IQAC is aligned with the vision of JIS Management and senior academicians and faculty members are engaged to execute the plan.

The key focus of the institution goal has been identified as following:

- ✓ To impart quality education, with all the modern teaching techniques and methods
- ✓ To give utmost importance to the socially, economically marginalized section, with government approved proactive measures
- ✓ To explore and utilize the natural resources of the state
- ✓ To foster economic growth
- ✓ To provide the benefits of higher education
- ✓ To study, preserve, and enrich the socio-cultural tradition of the region

Institutional Profile

- JIS College of Engineering is a self financing engineering college.
- The institute was established in the year 2000, the sprawling 17.5 acres campus with built up area of 387160.36 Sq.ft. is located in Kalyani.
- The institute has also the separate college - Center for Management Studies.
- The institute has an enrollment of 2787 students pursuing various courses offered (2198 Male & 589 Female) and includes 12 foreign students.
- The institute has a Faculty strength comprising of 198 teaching staff of the rank of Professors, Asst. Professors.
- The campus comprises of:
 - 60 class rooms
 - 250-seater audio visually equipped auditorium
 - 160 seats conference hall

- 66 laboratories
- 700 computers with fully inter-connected network (internet band width 10 mbps)
- Central library consisting of 55,553 books and 270 journals and a large number of E-journals (National & International) & IEL [Online] under INDEST.
- Hostel accommodation is available for all aspirants [Separate Boys and Girls hostels].

The Academic Portfolio

The college started with the UG streams of EE, ECE, and CSE & IT in the year 2000. During 2001 CA Course was introduced and in 2002 MBA Course was added with B.Tech in EIE. On 2003 BME, 2005 M.Tech Courses EDPS & MCNT was added respectively. On 2007 NBA Accredited Departments of CSE, EE & ECE. On 2008 two M.Tech courses in CSE & IT (SE) were inducted. On 2008 NBA Accredited Departments of IT, EIE & MBA and B.Tech Course in ME were started. In 2010 NBA Accreditation for the Department of BME came and during B.Tech. Course in CE and two M.Tech Courses [AEIE & BMI added.

The learning environment focuses on Self Growth and Team Growth through

- Continuous Performance Evaluation
- Classroom Instructions
- Project Work
- Remedial Classes
- Technical Skill Enhancement Training
- Soft Skill Training
- FDP
- Conferences
- Seminars
- Mentoring

State-of-the-Art-Infrastructure

The wide- range of technical set up and diversified framework of computation across the disciplines for practical and hands-on experience for the students is worth mentioning.

Viz. Computer Systems Setup comprised of:

1. High end research Laboratories
2. Research Lab established with SOLARIS 10 administration
3. Hardware Training Laboratories
4. Project and Research Laboratories System Laboratories for
5. Curriculum based Practical subjects
6. Dedicated desktop and Client computing

7. N-computing Desktop sharing
8. SUN Computational setup with SUN Blade Server, SUN Ultra, Rays, Fire
9. Open Source environment viz. RedHat, Fedora, Ubuntu

Faculty

The wide- range of technical set up across the disciplines for practical and hands-on experience for the students is unique in comparison to other Private Self-Financed Engineering Colleges and even some Government Colleges in the State of West Bengal.

- ✓ Training through regular Faculty Development Programme / Quality improvement Programme
- ✓ State-of-the-art Learning Centric High end Training via WIPRO Mission 10X Learning Approach (component : Dale Carnegie Certification, Advanced Workshop and Cambridge University certification)
- ✓ High retention rate
- ✓ Regular and Consistent financial assessment
- ✓ Thrust towards self-growth and team growth through various appraisal procedures
- ✓ This vision produced a strong collection of middle level faculty members.

Frequently Hosted FDPs

- ✓ AICTE funded (INR 37.5K) 2-day Seminar on Advanced Computing and Communication (ACC) organized by IT Dept., 5th -6th Aug, 2010
- ✓ JIS Group sponsored (INR 31K) sponsored 4-day Workshops on Recent Trends in Computing (RTC) organized by IT/ CSE / CA Dept, 23rd-26th March, 2011
- ✓ AICTE funded (INR 1.5 Lacs) National Conference (cfp) on Biomedical Energy Reserve and Application (BERA) organized by BME Dept, 29th -30th July, 2011

- ✓ JIS Group sponsored (INR 12K) sponsored 2-day Workshops on Web based
- ✓ Courseware Development organized by CA Dept, 4th -5th August, 2011
- ✓ AICTE funded (INR 1.5 Lacs) National Conference (cfp) on Energy System
- ✓ Planning Implementation and Operations (ESPIO) organized by EE Dept., 19th Aug. 2011.
- ✓ JIS Group funded (INR 10K) Seminar on Frontiers of Knowledge Management organized by Department of Business Administration

Faculty Achievement

- ❖ Finalist in IBM developer Super star 2011
- ❖ 6. Java Evangelist title IBM RUG (2010)
- ❖ Started giving Consultancy to touchstone Tie up Private Limited from 2011.
- ❖ Worked as Vice President (Research), Yotto Labs, during 2011.
- ❖ Mr. Rajdeep Chowdhury and Mr. Pratip Kumar Biswas win 2nd Prize in the Regional Student Convention 2011
- ❖ Mr. Rajdeep Chowdhury, Assistant Professor, Department of Computer Application and Mr. Pratip Kumar Biswas, Student, Department of Computer Application were awarded 2nd Prize for their Paper titled “Tri-Pad 24x7 – An Overview” in the Regional Student Convention 2011, held on 25th February, 2011, organized by Computer Society of India, Kolkata Chapter at Platinum Jubilee Building Auditorium, Indian Statistical Institute, Kolkata.
- ❖ Amongst the awarded prizes, other than Certificate of Merit, there was Cash Prize worth of Rs. 2000 /-.

Industry Interface

- ☑ IBM Centre of Excellence
- ☑ MOU with WIPRO
- ☑ Advance Partner College of INFOSYS Campus Connect
- ☑ First Private Engineering College in West Bengal having Strategic set-up with IBM
- ☑ MOU with IIT, Kharagpur for Academic tie-up
- ☑ Grant from AICTE
- ☑ Tied up with MSME

- ☑ ICICI Learning Matrix Centre
- ☑ Accredited by TCS, CTS, Videocon

The learning-centric environment

- Continuous Evaluation Process
- Personal Care through Mentorship Programme
- More emphasis on Contact learning (Tutorials-Projects, etc.) compared to one way-teaching

Students' Achievement

❖ Number of students is studying Abroad through GRE etc. such as:

Taiwan University
TEXAS State University
Max Planc University Germany
Milwaukee Inst. Tech. USA
University of North Carolina USA

❖ Competitive Examinations

A total of 41 students from various technological disciplines qualified in GATE 2011. The success is consistent from inception

❖ Mr. Abhinav Biswas, Student, Department of Computer Science and Engineering become IBM Blue Scholar in 2011.

A Blue Scholar Certificate is awarded to those students who have at least two IBM Software Professional Certifications and who have also participated in The Great Mind Challenge Contest.

❖ Mr. Somesh Mukherjee, Student, Department of Electronics and Communication Engineering and Mr. Anupam Bose, Student, Department of Electronics and Instrumentation Engineering were awarded 2nd Position in the 'Paper Presentation' Category of the 2nd All India Inter Engineering College Academic Meet 2010, held on 10th April, 2010, organized by Forum of Scientists, Engineers and Technologists in association with West Bengal University of Technology.

Co-Curricular & Extra-Curricular Activities

➤ Alumni Association

JISCE has an effective Alumni Association which. Dr S S Gupta is the President of the Association and the association meets once every month and keeps track of Alumni all across the country and organize annual meeting in a grand scale. The alumni members facilitate the academic process by organizing guest lectures and project works for the students.

The Institution during last one decade produced a wide range of budding engineers / applicants who have been contributing to the Society in various domains of national aspects:

IT Corporate / Software Development jobs: Ranging from Microsoft to GOOGLE IT Corporate Best employee / innovative Idea award winning alumni WIPRO, INFOSYS to CTS Public Sector: ONGC IT Public Sector: CDAC Mumbai Research and Development: Indian Statistical Institute Calcutta Entrepreneurship: National Entrepreneurship Network.

➤ National Social Service (NSS)

The college has an active NSS Camp under the guidance of the Dr Subhamoy Singha Roy. Sizeable number of students participates in various programmes conducted under the scheme. The activities NSS volunteers have conducted are Plantation of Trees towards a Green Campus Programme, Cleaning and Developing the Campus into an Eco-friendly Campus, Blood Donation Camp, Developing Local Area Campaign and conducted classes on morality and personality development.

✓ Awareness Programme

Awareness Programme conducted on Dengue, Malaria and Enteric Diseases at the area in vicinity during 12 September 2010.

✓ **Blood Donation Camp**

The blood donation camp for the college students was organized on 17 September 2010.

✓ **Anti-Drug Campaign**

The NSS wing organized a camp **on ANTI-DRUG** from 8th February 2011. The camp was inaugurated by Dr A Guha, Director of the College. Different social organizations from various parts of the locality all came together on a common platform for interactive learning and exposure

✓ **Bank loan Assistance Counseling** and support Cell helps students in getting financial help and interact daily with the students during second half of the day.

✓ NSS conducted **Adult and Child education** in 5 villages skirting the city.

➤ **National Cadet Corps (NCC)**

JIS College of Engineering has been in touch with 49 Bengal Battalion to incorporate NCC as a course and for C Certification programme. JISCE is also participating in different programme organized by 49 Bengal Battalion.

➤ **SIFE**

Students participated in different initiatives of SIFE and also compete at the national level in business plan and other competitions.

➤ **Green Team**

The Institution is located away from metropolitan in a lush green Campus. It's a declared energy saving Green zone. Initiatives are taken by the group to ensure an eco friendly and environmentally sustainable atmosphere.

➤ **EDC**

Entrepreneurship Development has been a key focus of the College and guidance and assistance is provided to the students as well as to the local enthusiasts in this regards. The college in collaboration with NSIC conducted Entrepreneurship Development Programme and the College has been selected to have an Incubation Center jointly with NSIC. The Coordinator of the cell is Ms Sila Singh Ghosh, GM Corporate Development, JIS Group and the cell collaborates with Ministry of Small and Medium Enterprises, CII, BCCI, local industry houses. JIS Group provide financial assistance to the willing students to start own ventures.

➤ **IIPC**

The Institution from its inception has been emphasized and was instrumental in having a strong bonding with Corporate Houses / Software Development Industry. Various Faculty members of different disciplines are trained through these events and impart training to the students:

- IBM The Great Mind Challenge Competition
- Organizing International Conclave named ESQUIRE.
- MICROSOFT Faculty Connection – MICROSOFT Students to Business
- WIPRO Mission 10X Learning Approach (17 faculty members are
- Mission 10Xians)
- INFOSYS Campus Connect Programme.
- ORACLE Database Admin Programme
- Texas Instrument Project Partnership

➤ **Women's Cell**

Mission

To enlighten the women students and employees about their legal right and to strive towards the empowerment of the women through the promotion of gender amity and programmes concerning women welfare

Vision

To create a platform where all women can express their needs and priorities , where every women is respected and is able to achieve their potential, living free from harm and discrimination

Objectives

- To sensitize the JIS College of Engineering community on gender equity issues through organizing sensitivity programmes like seminars, publishing handouts etc.
- To promote general harmony and prevent discrimination of women and sexual harassment in the institutes by providing practical suggestions to the administration from time to time,.
- To deal with any instance of discrimination of women or sexual harassment by an employer or students in respect of any other employee or students of JIS College of Engineering.
- To make students aware of Gender Equity.
- To help students to change their mindset and attitude towards life in terms of women.
- To build a society with social and economic gender equality as envisaged in the Indian Constitution through social service.
- To reach out to women in the rural areas and make them aware of their social and legal

- rights and to equip them to stand against gender violence and gender discrimination.
- To create awareness, instill values and develop the personality and leadership quality.

Academic Audit or other external review of the academic provision

Academic Audit is conducted annually by an Academic Audit Committee appointed by the Management. Generally an expert in the field of specialization is appointed to Audit the whole academic system and report to the Management.

The affiliating University also conducts an audit annually. In this elaborative procedure where all particulars related to admission, staff and pedagogy, Programmes, student activities, library information, results etc. and various details are and others are taken into account and submitted to the University. The University appoints a committee review the data and scrutinizes every details and reports to the University. Any non-compliance is to be addressed as early as possible.

The reports are discussed in detail at the meeting of Board of Governors and necessary actions are taken.

The internal quality mechanisms are measuring and fully aligned with the requirement of NAAC and NBA. Also aligned with the accredited agencies like ISO and International Accreditation Agency (IAA).

The IQAC plans to review the mission, vision and quality policy and required changes.
