

# GOALS ON THE GO!

**Goal 4: Improving and Analyzing Student Feedback**  
Improving how we obtain and respond to student feedback, to ensure uniformly high academic standards across the Institutions.

**Goal 1: Deliver Academic Excellence**  
Invest in our academic excellence to widen student access through flexible learning and to fulfill an ambitious program of research promotion and facilitation in the humanities.

**Goal 2: Provide Innovative High Quality Academic Support & Professional Services**  
Develop, augment and commercialize our portfolio of services for the institute's members and the education sector, with the aim to be the "go to" provider of students and academic support services.

**Goal 3: Manage a High performing Organization**  
Increases our investment in staff development, encourage a common purpose across our diverse activities and enhance our capacity where gaps exist, in order to deliver our plans.
